“ZENTREE BLACK WOODEN EDITION” – USB Charger Station

Smart IC charging innovation for your smartphone & tablet

HONG KONG, 19 October 2017

Thermal Solutions specialist *GELID Solutions* unveils the *ZENTREE BLACK WOODEN EDITION* – a luxurious USB charger station which supports easy docking and quick charging of multiple mobile devices.

The *ZENTREE BLACK WOODEN EDITION* features the revolutionary *3D Tree Array Docking* surface with a soft silicone rubber 3-dimensional pin array. The array of pins was specifically crafted to dock multiple devices of varying sizes with ease and comfort. The innovative *Smart IC Auto Control* technology automatically negotiates the best charging current for your devices and prevents over-charging after battery's 100% charged. The *ZENTREE BLACK WOODEN EDITION* is fully compatible to the latest USB quick charging standards, it provides 4 USB power ports with total output of 48W max and supports simultaneous quick charging of up to 4 power-hungry devices. The *ZENTREE BLACK WOODEN EDITION* also provides a port-specific protection system for high-class safety of your devices: surge protection, short-circuit protection, over-temperature protection. And especially, the *ZENTREE BLACK WOODEN EDITION* is made of premium grade materials featuring the luxurious wooden design and top black cover, it is also backed with a power-efficient component circuitry to ensure the best quality you can get.

The *ZENTREE BLACK WOODEN EDITION* supports virtually any USB charged device. It's been fully tested with Apple™ mobile and tablet devices, various Android™ mobile phones and tablets, various smartwatches, Bluetooth™ headsets, portable power banks, action cameras, GPS trackers and even bike lights.

The *ZENTREE BLACK WOODEN EDITION* conforms to FCC, CE-LVD, CE-EMC, DOE VI and carries a 2-year warranty.

“The ZENTREE BLACK WOODEN EDITION is the next step in our revolutionary design concept of multi-device charging. The 3D Tree Array Docking technology, the easy cabling system and the sleek homebrewed design all make it a perfect charging station for your smartphones and tablets”, said Gebhard Scherrer, Sales Director of GELID Solutions Ltd.

The *ZENTREE BLACK WOODEN EDITION* is available now and has a MSRP of USD 55 or Euro 46.50.
